

# FERNANDINA BEACH COLLECTION GUIDELINES

Advanced Disposal is proud to be your waste and recycling services provider. Please know we will continue to provide the high quality and efficient collection you have come to expect.

## YOUR CARTS ARE GETTING AN UPGRADE!

Be sure to use your new 95-gallon garbage and 64-gallon recycling carts. Cart should be placed curbside prior to 6:00 a.m. on your scheduled day of collection, or the night before.

## YOUR SERVICE SCHEDULES AND DAYS OF COLLECTION WILL REMAIN THE SAME.

### HOLIDAY SCHEDULE

There will be no pickup on the following holidays:

- New Year's Day
- Thanksgiving Day
- Christmas Day

## ROUTES WILL BE PUSHED BACK BY ONE DAY FOLLOWING A HOLIDAY.

When one of these holidays falls on a regularly scheduled collection day, all solid waste will be collected on the following day excluding Sunday.

## CART PLACEMENT

Be sure to follow these guidelines for proper cart placement.

- Carts should be placed no more than three (3) feet from the curb.
- Cart handle should be facing the house and away from the street.
- There needs to be at least three (3) feet between your cart and any other objects such as parked cars, light poles, mailboxes and other carts.
- If your service days for garbage and recycling are the same, be sure to place your garbage and recycling carts on opposite sides of the driveway.

## CHRISTMAS TREE DISPOSAL

For residents who already have curbside recycling and yard waste collection (single-family households through quad-plexes), it's free and easy. Just set your unbagged tree out on your regularly scheduled yard waste collection day. Make sure to remove the tree stand, all decorations and ornaments — NO BAGS.
