Would be never except for Nassau Diamond. Really nothing there I am interested in. Fast food and junk.

unattractive area; neighborhood is questionable

Traffic/log trucks

Traffic does not encourage stopping to shop. I never or rarely notice businesses along the 8th street corridor inside city limits.

Tire companies and empty store fronts. Too few restaurants. No shops only 2nd hand used clothes.

There isn't any thing that appeals to me including food services.

There is nothing on 8th street that I need, same goes for Centre St.

There is nothing I need on 8th St. I do use 8th St to get to other places.

streets too busy, too many trucks

Street too busy and uninviting. Street feels like just a pass thorough.

Stores seem run down.

Question #6 is unfair. Why must we pick 6. What if we only like two?

Parking sucks and don't want to mess car up turning in.

Other than MegaByte there are no business on 8th Street that I need to utilized

Nothing there to attract me

Nothing there that draws my attention

Nothing there is of any interest to me.

Nothing that interests me.

Nothing I need there...

NOT ENOUGH BARS AND STRIP CLUBS

Not convenient. No stores of interest

Not applicable

Not appealing, dangerous traffic (logging trucks), police traffic traps.

No interesting stores or restaurants

No good shops or businesses. No NAME restaurants.

No businesses there that I currently need to patronize. There could be in the future, though.

It offers nothing for me and it's an untidy and generally uninviting area.

It offers nothing for me and it's an untidy and generally uninviting area.

I frequent downtown but 8th isn't as pedestrian friendly and doesn't have as many shops worth risking the big trucks for. It doesn't match the beauty of downtown at all.

I don't want to stop on Washboard Road.

I don't get my car detailed, need my computer repaired or use that dry cleaners. I don't like tire kingdom (use Goodyear in Yulee), and staples moved to a better location. What else is there? Fast food?

I do not feel safe walking on 8th st.

Doesn't seem integrated -part of the

Difficult to access businesses. It is ugly and i don't want my friends and family to see the hideousness that is 8th Street when they visit.

because they do not keep their properties up

because 8th street looks junkie

Additional business are needed to increase the desired traffic flow.
